

## **SIMPLE PANTS FOR KIDS**

It is a good idea to double stitch, zig zag or serge all seams.

Some kits have squares of fabric to use as pockets if you want.

Use any pattern you have or pick up a kit in the Connector.

Stitch front to back at inner leg seams.

Stitch crotch seam.

Stitch front and back side seams.

Sew about 1 inch hem

Make casing for elastic.

Insert elastic.

### **For kits that have just two pieces:**

Lay two pieces on top of each other, right sides together.

Join center front and center back seams of pants – the crotch seams

Sew inside leg seams.

Sew 1 inch hem.

Make casing. Insert elastic.

Kits are available in bookcase in Holy Angels Connector.
