PARISH PRAYER INTENTION FOR OCTOBER

“For our future Family of Parishes that we will become united in Christ and find our joy in the Most Holy Eucharist.”
KEEP MOVING FORWARD –

Last week we found out we are currently grouped within the Family of Parishes including Ss. Peter and Paul, Newport and St. Michael, Fort Loramie. As I mentioned last week, I think this is a great grouping because of the family connections, the social connections, and also that all three churches are very beautiful. These three things give us something to rejoice in with each other and relationships on which to build our Family of Parishes upon. I understand many of you may have concerns with this grouping or with the Beacons of Light process itself. Please remember that you can make your voice heard and make public comments at BeaconsAOC.org, including positive comments. I want to make some notes about making comments.

The Beacons of Light process is happening. Comments that focus on keeping the status quo are not helpful. Comments should be directed at either focusing on the strengths of the current (including our current grouping in NW-7), concerns about the plan, what the process will entail, or ideas for improvement.

1. Please remember that human beings will be reading your comments. They are doing their job and they want to help the Beacons process work for the good of all and the good of the Church. So be kind and respectful.
2. Remember positive feedback is helpful as it will help the Archdiocese and consulting firm know they have done something well, along with giving a balance to negative feedback.
3. Also, please consult the guiding principles document found inside the bulletin this weekend. The insert also includes a map of the Families of Parishes for the Northwest part of the Archdiocese (we are NW-7 family.)

I would also like to answer some questions, or at least answer the questions that can be answered, and determine which ones cannot be answered at this time. First, is Holy Angels closing? No, we are being grouped into a Family of Parishes and when the Family of Parishes comes together on July 1, 2022, nothing will be closed then. From that date, the Family of Parishes will work together to determine how things will work given the parameters that are set down by the archdiocese. This means decisions will be made autonomously from the Archdiocese, save the guiding principles and parameters. For example, each priest will not be able to say more than two Masses on a given day. For Sundays this means one vigil Mass and two Sunday Masses. But the Mass schedule itself will be worked out by the parishes and priests within a particular family.

People have asked when the plan will be finalized. This will be done in November after all the comments have been sorted, weighed, and applied to the current plan. Please note that there may be more questions that were answered in a series of videos I have made about Beacons of Light, including a recording of one of our Town Halls. You can find these videos on the Holy Angels Facebook page, Holy Angels website, and the Holy Angels Religious Education YouTube channel.

I want to thank you all for your positivity throughout this process and for your authentic concern, for not only Holy Angels but our surrounding parishes as well. You all are wonderful, and I am grateful for you each and every day.

Peace in Christ,

Fr. Jarred Kohn

Guiding Principles

Beacons of Light is a multiyear process of pastoral planning for the Archdiocese of Cincinnati. Rooted in prayer, groupings of parishes will come together as one faith community. These new Families of Parishes will be stronger together, focused more on mission than on maintenance. In the Families of Parishes we will grow closer to God, follow Jesus through the power of the Holy Spirit and radiate Christ in our lives.

1. **Eucharist**: The Mass is the source and summit of the whole Christian life. Accordingly, the Eucharist is the essential moment for building up and strengthening the parish community, along with the sacraments and other celebrations of the paschal mystery — the passion, death and resurrection of Jesus Christ.

2. **Church**: Each of us is called to actively participate as a member of a parish, the Universal Church and our local Church, led by our archbishop. Parishes continually deepen the bonds of communion with other parishes.

3. **Leadership**: Pastors, in collaboration with parochial vicars, deacons and lay ministers, according to their proper roles and charisms, share responsibility for pastoral leadership. The spiritual, physical and mental health and ongoing support of ordained and lay leaders is vital for Families of Parishes.

4. **Stewardship**: Families of Parishes are communities of grateful disciples. Recognizing God’s gifts, they use their talents, skills and resources to build up the Church and live as Christ’s body in the world.

5. **Evangelization**: As centers of missionary outreach, Families of Parishes find new ways to foster discipleship among all the baptized. Schools, parishes, and indeed the domestic Church itself are centers of this essential work.

6. **Love in Action**: Families of Parishes will be communities of charity and justice, serving those most in need and working to change systems that oppress and marginalize.
